

## Thomas Reports Highway Project

Representative Vincent Thomas informed this paper yesterday that a \$772,540 state highway development of 3.6 miles on 174th st. from Inglewood ave. to Normandie ave. was let to J. E. Haddock Co. as lowest bidder.

The offer was made June 25 and construction is supposed to start immediately.

## 'A' League Scores

July 9, Thursday: National Electric 2, Carson Merchants 0. Till now Carson Merchants were in the lead; now Nat'l Electric is out in front.

July 13, Monday: Dow 0, Marine Clerks 5; National Electric 3, National Supply 2; Midland Rubber 5, Dow 3.

## Blue Streak Scores

July 9, Thursday: Fire Dept. "A" 4, Midland Rubber 11; CERA 13, Mayfair Creamery 9.

July 10, Friday: National Supply 3, Torrance Gardens 4; Mayfair 6, Fire Dept. "B" 8.

Friday, July 10 was the play-off game between Midland Rubber 3 and Mayfair 2. The game determined the championship for the first round.

## Blue Streak

With an extension telephone, you save many steps during the day—and have a telephone handy to answer calls at night.

## Extension Telephones Are Available Again!

For just pennies a day, you can have a time-saving, step-saving extension in your home

Your home can now be a truly modern, "extra-telephone" home. For, once again, we're able to install extension telephones. Extensions, you know, require only additional telephones—not outside cables and wires and central office facilities. With the convenience of an extension, you add still more value to the telephone in your home. And the cost of an extension is small—just pennies a day.

## How to order an extension telephone

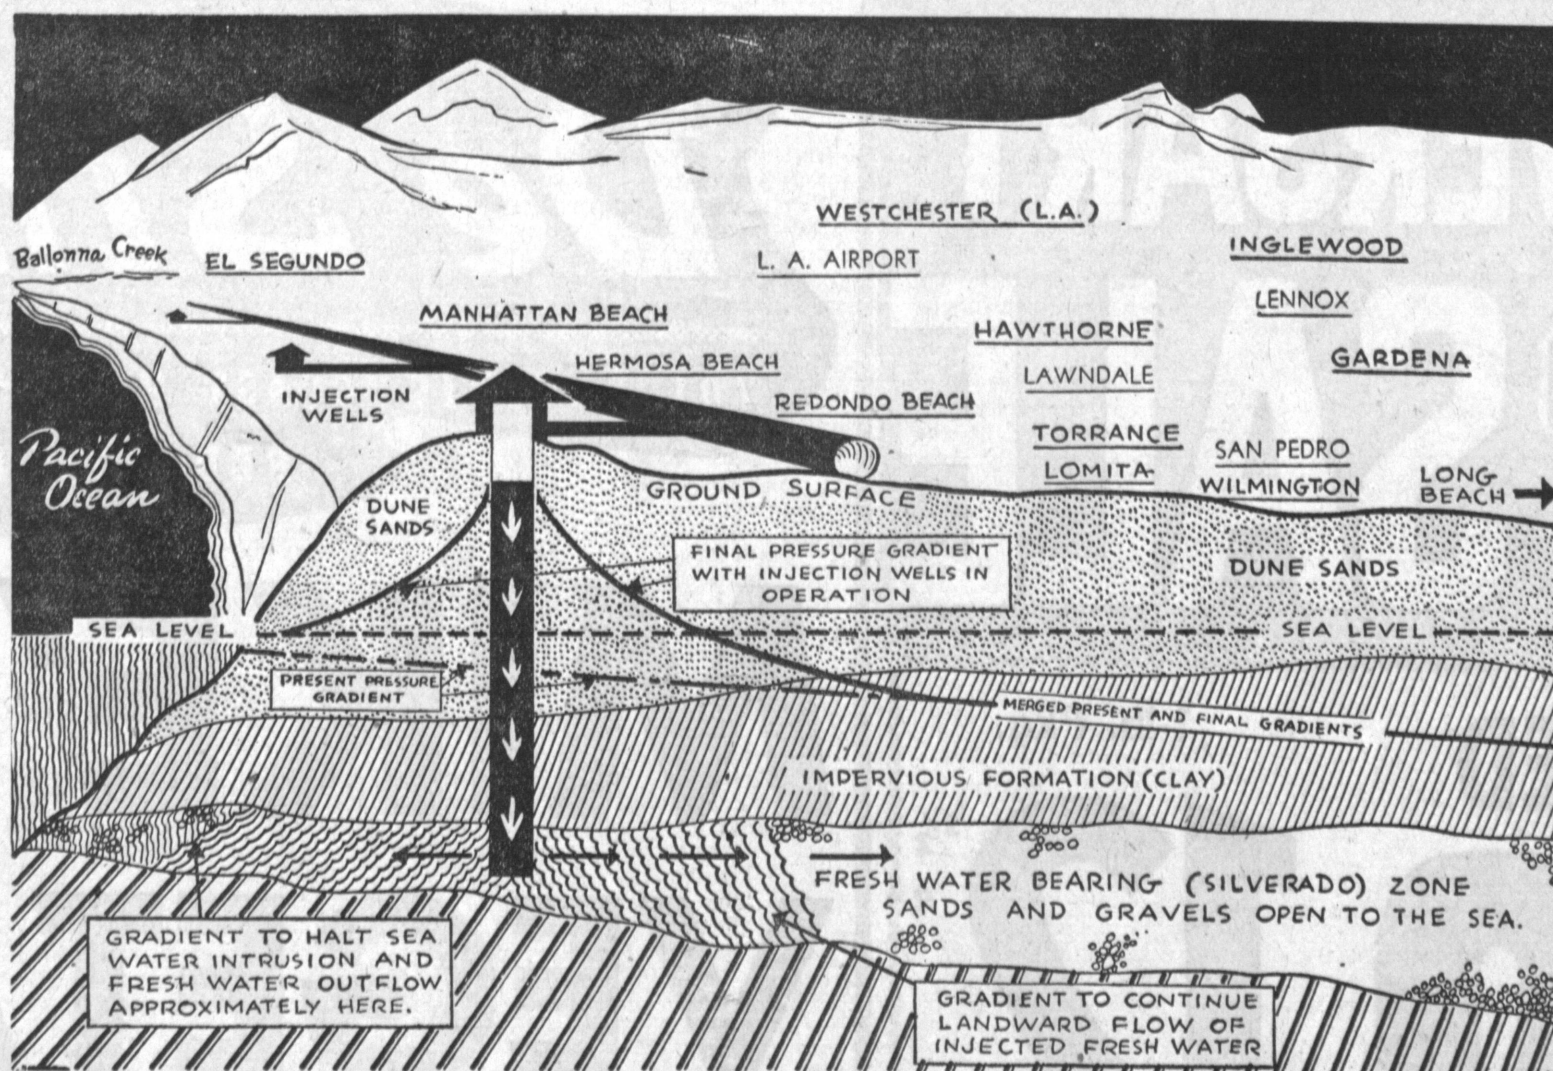

It takes only a few minutes to order an extension. Just call your Pacific Telephone Business Office. And we'll be glad to arrange an installation to meet your special needs. Like all telephone service, an extension is high in value—low in cost.

**YOUR TELEPHONE IS ONE OF TODAY'S BEST BARGAINS**

When the man of the house is a hobbyist, an extension is particularly useful. He can make—and receive—calls from his workbench in the garage without taking time out to go into the house. In your home, too, you can have an extension in the kitchen, in the den, in the bedroom—in any room in the house. Why not see about an extension for your home... soon.

FIVE WELLS ARE ALREADY IN OPERATION combating the intrusion of sea water through fresh water injections. The experiment was tried in Manhattan Beach but Torrance and Lomita and the whole West Basin coast line will be affected. Results have shown that fresh water thus injected through wells will displace and squeeze out the invading sea water and that there is virtually no mixing of sea water with the artificially introduced fresh water. The West Basin Water Association diagram shown here illustrates the action of injection wells.

## LOCAL YOUTH LITTLE LEAGUE HELPS 'MOVE' HELICOPTER

Marvin Greenlee of Crown King, Arizona, watched El Toro marines confiscate sections of a helicopter kept in storage at Long Beach Municipal Airport. Greenlee was angry because he had salvaged these sections from the snowy heights of Mt. San Geronimo where the copter crashed while engaged in rescue operations.

Greenlee, who was helped in the salvaging operations by Bill Dutton of Torrance and Gary Cagle of Bell, among others, spent some \$12,000 in the operation.

The Arizona man said he hired 30 Redlands high school and college students to do the job which took a total of 67 days, with actual packing out of a 4,500-pound sectional load (mostly by horseback) accomplished in 18 days.

Biggest part of the task, he said, was in removing the 1,000-pound fuselage down the precipitous mountain, 25 feet at a time, with the crews lifting the bulky load on heavy bamboo poles, sometimes down 45-degree slopes, to the 6,000-foot level where it was loaded aboard a truck.

Greenlee says that he will go to court in an effort to win at least "a fair and just profit" for the 67-day job of retrieving the wrecked ship from the mountain.

Greenlee's attorney, Ernest Shandler, said the salvaged sections were removed over Greenlee's profit.

July 7, Tuesday: Moose 1, Legion 4; Hollywood Riviera Sportsmen 1, Lions 6.

July 8, Wednesday: W. Businessmen 6, Optimists 7; Lutherans 0, Rotary 20.

test and without his consent. Appeal will be made for the value of the salvage—approximately \$50,000—and if this fails they will ask for \$15,000 as a fair and just profit.

## Fresh Water Wells Prove Successful

Injection wells and the permission to apply for a preliminary injunction to restrict pumping from a ground water basin where the question of water rights is being settled—both these factors will work hand-in-hand in preventing the intrusion of salt water and the subsequent contamination of fresh water, according to Carl Fossette of the West Basin Water Association.

Since the intrusion-problem applies all along the coast, Torrance is also affected by it. The situation is not critical but serious, though no more or less serious for Torrance than for the other areas.

Fossette said the injection wells which have pumped fresh water into the ground to combat the intruding salt water have proved successful. As much as an 8-10 ft. water-level rise has been effected in some areas, Fossette stated.

The injection-well experiment started about four months ago. State financing will carry the activities through till November at least.

In the meantime Governor Warren signed a bill which will per-

## New Treatment For Arthritis And Muscle Pain

TORRANCE—If you have been suffering years from arthritic and muscle pain, do not despair. Dr. Larson's new application of the latest in scientific therapy is promising new hope for relief of the crippling torture of arthritis and rheumatic conditions. You are invited to come in for a complete examination to discover the true cause of your condition. Price for this examination is only \$3. Phone FAirfax 8-3738 before coming to offices of Dr. Larson, D.C., Ph.C., 1110 Sartori Ave., Torrance, three doors north of Torrance Blvd.
